Fry the Garden Gourmet Sensational Burgers in a pan until golden brown.

2. Chop red onion and cherry tomatoes

Meanwhile, finely chop the red onion and halve the cherry tomatoes.

3. Place lettuce at the buns' bottoms

Cut the buns open and put a few lettuce leaves on the bottom of the bun.

4. Spread cherry tomatoes and red onion

Divide the cherry tomatoes and red onion over the salad.

5. Build your burger!

Top with the burger and finish with a slice of cheese, a few slices of pickle, some more salad and vegan mayonnaise.
