This salad is perfect for a light dinner, a tasty lunch or to share with friends anytime! Spice up your usual salad with this vegan recipe!

## **PREPARATION**

#### 1. Cook the quinoa

Using your fingertips, mix a few tablespoons of olive oil into the uncooked quinoa. Pour boiling water according to the recipe on the package and let it soak.

#### 2. Make quinoa salad base

Cut the spring onion into thin rings and a few sprigs of mint (leaves). Loosen the quinoa with a fork and season with lemon zest, juice, salt and pepper and toss in the spring onion, mint, spinach and pomegranate seeds.

#### 3. Make salad dressing

Mix the harissa with the pomegranate molasses and lemon juice and olive oil into a dressing

#### 4. Put everything together and enjoy!

Bake the spinach falafel balls brown all around according to the instructions on the package. Spoon the salad onto a bowl. Spread the falafel on top and drizzle with the dressing. Garnish extra with thinly sliced spring onion and mint.
