Clean the radishes, leave a piece of stem and halve them in the length. Bring a pot of water to a boil and boil the snow peas for 1 minute, drain and rinse. Cut the spring onions into rings and scoop all the vegetables over the lettuce.

3. Roast the asparagus and chargrilled pieces

Heat a grill pan. Spoon the asparagus with 2 tablespoons of oil and the chargrilled pieces with the rest of the oil. Roast the asparagus for about 5 minutes, after half of the time, scoop the chargrilled pieces into the pan and roast them.
